being made on Tuesday, when, it was

ing the early days of the legislature that will get down to business next week to obtain as speedily as may be possible definite assurance that the section of state highway between the Rhode Island line at Little Rest and the end of the state highway leading out through Reynolds street will be built during the present year. This is a road that Danielson and all of the surrounding territory has partiently waited ten years to see built and has listened to varied and sundry excuses for not undertaking the construction. Influences that should prove powerful will lend themselves to be a long pressure to have the construction of this road authorized, within a few weeks if possible. Danielson is asking only for what should be given her in justice to her commercial and industrial needs and not for expenditure of money for some pleasing pleasure route.

The Patsam Light and Caret and about price built on sale was a discussion about more built on sale was a deport of the seemed to remiember something that perturbed him.
